

Instructions for Entering an Event

- Consult with your APE/PE teacher to select events appropriate to your classroom. IU 20 Classrooms may enter 2 events for elementary and 3 events for secondary. District classrooms may attend all events as per the guidelines of their district.
- Check physical status for your athletes. You must carry copies of all physicals with you to events. Contact Linda Lechner [llechnercso@gmail.com](mailto:llechncso@gmail.com) with any questions. Physicals received throughout the school year must be shared immediately with Linda.
- Make note of event dates and deadlines. Information is included in this binder.
- Links for Letters of Intent and Entries are found on the Team Northampton website www.ncspeciaolympicspa.org under the School Based heading. Scroll down to find your events. An Intent is used by the event coordinator for planning purposes. Specific event/time/distance information may be required on the Entry form.
- Contact Linda Lechner to report changes in your class list after completion of an Intent form and both Linda and the event coordinator to report changes after completion of an Entry form.
