Bowling Special Olympics

How to Participate:

Contact your local lanes and schedule your time according to the policies set forth by the IU Field Trip information sheet or follow your district's policies.

Go to the website (ncspecialolympicspa.org) and click on school based. Then scroll down to your bowling event. Click on Training Confirmation and fill out the requested information. This is how your bills will get paid. If this is not filled out, we can not process the bills from the lanes.

Fill out your transportation request.

Send home a Field Trip Information/Release Form

Each class may go to the lanes two times.

At the lanes, your athletes may bowl two games only. No adults should be bowling.

Ask the lanes to either put the bill on the Team Northampton Special Olympics Account or please get a copy of the bill.

All bills should be submitted to Amanda Sechrist within three days of the trip.
